

BLAST OFF [Watts]

VERSE

You mesmerize from across the room
I'm caught
I close in, maybe to my doom
You're sought
I see infinity in your eyes
You're hot
Like what's above us in the skies
Here's my shot

CHORUS

You're so heavenly baby
So powerful I'm breaking free
Your beauty leaves me racing
To cut space 'tween you to me
I'm turning on my axis
Only to get closer to you
Will you leave me in the stratus?
Or let me sail right on through?

VERSE

I want to soar with you lady
Blast off
Will you match my orbit or call me crazy?
Blast off
My course is causing me concern
Blast off
Cause I sure hope I don't crash and burn
Blast off

CHORUS

You're so heavenly baby
So powerful I'm breaking free
Your beauty leaves me racing
To cut space 'tween you to me
I'm turning on my axis
Only to get closer to you

Will you leave me in the stratus?
Or let me sail right on through?
