

## Fallin' For You (Watts)

Friday night  
By the Firefly light  
I was swept away  
I just couldn't fight

Then you smiled  
And my world lit up for awhile  
When I saw you  
I wasn't blinded by the height

CH:  
I'm going down, down, down  
I'm fallin' for you  
By leaps and bounds, bounds, bounds  
I'm soarin' anew  
Feelin' unsound, sound, sound  
Hope you're feelin' it too  
And it's because I'm, I'm, I'm  
Just fallin' for you

Friday night  
Our memories ignite  
When you looked at me  
It all felt so right

Then we touched  
And the world quieted to a hush  
And I knew then  
I wasn't helplessly lost in plight

CH:  
I'm going down, down, down  
I'm fallin' for you  
By leaps and bounds, bounds, bounds  
I'm soarin' anew  
Feelin' unsound, sound, sound  
Hope you're feelin' it too  
And it's because I'm, I'm, I'm  
Just fallin' for you

BRIDGE:

And when I look at you  
It moves me  
Everything you are  
I...want...to...see  
Your brains and beauty, and heart and soul  
Your bruises, blemishes, dreams and goals  
Your strength and duty, new you and old  
Surrendering totally; I'm in all told  
And God, I hope you're really lookin'  
At me  
'Cause...can't...you...see

CH:

I'm going down, down, down  
I'm fallin' for you  
By leaps and bounds, bounds, bounds  
I'm soarin' anew  
Feelin' unsound, sound, sound  
Hope you're feelin' it too  
And it's because I'm, I'm, I'm  
Just fallin' for you

Friday night  
By a Belgian white  
Those tuxedo tees  
Woke me up to good advice

Then I was sure  
That I was lost without a cure  
When I see you  
Every single fear excites

CH:

I'm going down, down, down  
I'm fallin' for you  
By leaps and bounds, bounds, bounds  
I'm soarin' anew  
Feelin' unsound, sound, sound  
Hope you're feelin' it too  
And it's because I'm, I'm, I'm  
Just fallin' for you

I'm fallin' for you

I've fallen for you
