

Momentary (Watts)

CH.

You were momentary
Nothing but temporary
I thought we could be happy
Oh yeah

Away I let you carry me
Gave you the shovel to bury me
Since you were momentarily
For me

V.

Our alchemy
It grew inside of me

And so naturally
We lined up perfectly

With you
Then without you
Time is so cruel

Merging
Then parting
Yes, I was a fool

CH.

You were momentary
Nothing but temporary
I thought we could be happy
Oh yeah

Away I let you carry me
Gave you the shovel to bury me
Since you were momentarily
For me

V.

The monotony
Calmed like a breeze

Now instantly
I feel empty

Our joy
Was just my joy
Did not know you

Our short time
Haunts my mind
Yes, I was a fool

CH.

You were momentary
Nothing but temporary
I thought we could be happy
Oh yeah

Away I let you carry me
Gave you the shovel to bury me
Since you were momentarily
For me
